TO WHOM IT MAY CONCERN

This is to introduce DONOVAN KING, who has been employed as a Drama Tutor for the past three months with the Young Dolphin Drama Group, Onehunga, Auckland, New Zealand.

During this time Donovan tutored the Young Teens and Young Adult groups with creativity, energy and with resounding success.

He was a diligent, dedicated teacher, well liked and respected by his students. Donovan taught theatrical skills with artistic flair combined with a sense of fun, which really appealed to our young people.

We would have no hesitation in recommending Donovan to any future employer as a talented and reliable young man.

Yours sincerely,
Young Dolphin Drama Group
